Culture Exam

September 6th & 7th 2017

Day One

Please answer both questions.
(the given numbers relate to the number on your list of questions)

5. How is culture related to poverty and inequality? How have cultural sociologists dealt with accusations of "victim-blaming?"

1. How is culture related to action? Explain which accounts you think are most promising and why.

Day Two

Please answer both questions.
(the given numbers relate to the number on your list of questions)

2. Sociologists since Durkheim have been concerned with systems of classification. How do classification systems emerge, how are they shared, and what are their consequences?

6. Describe what you think are key methodological issues in cultural sociology. How have cultural sociologists addressed these issues, and what are the strengths and weaknesses of their different approaches?
