

Advising for All Sociology Majors

All Soc majors have now been assigned to a faculty advisor! Please see the attached list of advisor/advisee assignments for the 2006-2007 academic year. This list is also available on our department's web page at www.nd.edu/~soc. We hope that the faculty advisor to whom you are assigned has at least one academic interest that matches your own. We encourage you to work with your advisor to map out a program of study that satisfies the department's requirements and helps you to fulfill your own personal academic pursuits and career aspirations. Everyone, please be sure to take advantage of your advisor's expertise!

Note that your advisor's office hours are posted beside his/her name. If your schedule does not fit with the hours posted, your advisor will be happy to make an appointment with you. Please also note that if you do not see your name or if you would like to make a change in your advisor, stop by and see Dr. Power, the Sociology Department's Director of Undergraduate Studies. Her regular office hours are Monday 10:00AM-12:00PM; Tuesday, 12:00-2:00PM; and Wednesday, 11:00AM-1:00PM. If you are tied up with classes during these times, call Dr. Power for an appointment.

Dr. Power's office is 823 Flanner Hall. Phone: 631-0803. E-mail: Power.4@nd.edu.
