Advisor:

Please answer the questions below. Feel free to attach any additional documents to this report, including interview guides, research proposals, working drafts, etc. Please send an e-mail copy to your advisor and the Director of Graduate Studies. Be sure to set up a meeting with your advisor to discuss your progress report and get feedback on your work.

1. Do you have a topic for your project? If so, please describe it.
2. Do you have a research question? If so, please describe.
3. Have you done a literature review for your project? Please describe.
4. Have you identified a data set that you will analyze for your project? (If you are collecting your own data, please skip to question five. Otherwise, answer this question and skip to question six.)
5. Have you begun collecting data for your project? If not, and you plan on doing so, please provide a timeline for your data collection efforts.
6. Do you have a working draft of your thesis? If so, have you gotten feedback on your draft from your advisor?
