### PROFESSIONAL SERVICE AND ACTIVITIES

---

**The Worker Institute**, New York, NY

August 2018 – December 2018

*Research Fellow*

Worked with Dr. Maria Figueroa on applied research on the impacts of the gig-economy broadly. The research examines the effects of digital hiring platforms such as Uber and Handy on working conditions and on the economy of local communities.

**Engaged Cornell's Office of Engagement Initiatives**, Ithaca, NY

May 2015 – May 2019

*Student Ambassador*

Works on program research and benchmarking for students of all majors across the Cornell campus in Ithaca. Creates campus partnerships, develop new curriculum, planning events and retreats, reviewing and promoting application materials for community engagement initiatives abroad and domestic.

**Tompkins County Workers Center**, Ithaca, NY

June 2018 – December 2018

*Labor Advocate*

Drafted work place discrimination charges for the Department of Labor. Assists with Occupational Safety and Healthy trainings for workers and employers throughout Tompkins County. Conducts research on employment and labor law as well as assists with campaigns for a living wage as a minimum wage legislation.

**U.S. Equal Employment Opportunity Commission**, Tampa, FL

January 2018– April 2018

*ILR Credit Internship Program*

Processed incoming cases by utilizing EEO guidelines, reviewed and assisted with research on cases that have the potential for litigation. Helped with the investigation process by conducting interviews, documenting responses, and analyzing evidence.

**Dr. Christopher Wildeman | Cornell University, Ithaca, NY**

June 2017 – August 2017

*Research Assistant*

Analyzed policies in the American criminal justice system and the effects of said policies by looking through historical archives, creating surveys, interviewing individuals and sorting through statistical data.
