Relevant Training and Skills

Proficient-Fluent Spanish
 STATA, Atlas.ti (Qualitative Data Analysis Software)

Additional Experience

Program and Community Coordinator – Casa de la Solidaridad Study Abroad Program El Salvador

Santa Clara University – PC: May 2015 – July 2015, CC: August 2014 – May 2015

Program Coordinator

- Worked to direct and coordinate the month-long summer study-abroad program focused on Public Health in El Salvador for 24 students. Continued the perform duties of a Community Coordinator while taking on additional administrative and programmatic responsibilities.

Community Coordinator

- Planned and led weekly group and individual student development sessions to provide meaningful support and cultivate intentional spaces for reflection on the study abroad experience for 21 students Fall semester, 16 students Spring (current) semester.
- Managed program operations including weekly spirituality and community nights, student housing, retreat development and execution, large group events, and administrative duties such as budgeting, food coordination and transportation.
- Fluent use of Spanish to collaborate with Casa program directors, Salvadoran Staff, community partners, and Salvadoran students.
- Worked in a marginalized Salvadoran community twice a week to engage the Salvadoran reality and develop meaningful relationships.
