Revised 11/2025

SARAH A. MUSTILLO, PH.D

University of Notre Dame
4060 Jenkins Nanovic Hall
Notre Dame, IN 46556
smustill@nd.edu
574-631-6463

RESEARCH INTERESTS

Medical sociology, mental health, statistical methods, data science

EDUCATION

2001	Ph.D., Duke University - Sociology
1999	M.A., Duke University - Sociology
1996	B.A., University of Notre Dame - Sociology Magna cum laude National Merit Scholarship

EMPLOYMENT

2025-	William R Kenan, Jr. Professor of Sociology, University of Notre Dame
2018-2025	I.A. O'Shaughnessy Dean, College of Arts and Letters, University of Notre Dame
2016-2018	Chair, Department of Sociology, University of Notre Dame
2015-2019	Co-editor, *American Sociological Review* 5 year impact factor 13.7 in 2020
2014-present	Professor, Department of Sociology, University of Notre Dame Faculty Affiliate, Shaw Center for Children and Families Faculty Affiliate, ND Population Analytics
2007-2014	Associate to Full Professor, Department of Sociology, Purdue University Faculty Associate, Center for Aging and Life Course
2003-2007	Assistant Professor, Department of Psychiatry & Behavioral Sciences, Duke University School of Medicine
2001-2003	Research Associate, Department of Psychiatry & Behavioral Sciences, Duke University School of Medicine

Sarah A. Mustillo

ACADEMIC AWARDS AND HONORS

Outstanding New Professional Paper Award from the National Council on Family Relations, Families and Health section, 2024

Sociological Research Association, inducted in 2020

University Faculty Scholar, Purdue University, 2013

Center for Undergraduate Instructional Excellence Fellowship, Purdue University, 2013

Kalish Innovative Publication Award, Gerontological Society of American, 2013

Outstanding Publication Award, Section on Aging and the Life Course, American Sociological Association, 2012

Daryl P. Evans Outstanding Teaching Award, Purdue University, 2012

Daryl P. Evans Outstanding Teaching Award, Purdue University, 2010

Daryl P. Evans Outstanding Teaching Award, Purdue University, 2009

GRANTS

Longitudinal Impacts of Pandemic-Induced Disruptions of Adolescent Siblings' and Parents' Alcohol Use: A Family Life Course Perspective. Consultant, National Institute of Alcoholism and Alcohol Abuse, National Institutes of Health, $1,002,918. 2022-2026: R01AA030191.

Sibling Socialization of Alcohol and Drug Use from Early through Late Adolescence. Co-investigator, National Institute of Alcoholism and Alcohol Abuse, National Institutes of Health, $2,415,417. 2017-2023: R01AA025331.

Sibling socialization of alcohol and drug use from early through late adolescence. Co-investigator, National Institute of Alcoholism and Alcohol Abuse, $2,415,417, Sept 2017-June 2022. R01AA025331.

Notre Dame – Renmin partnership in social science research: Theory, methodology, and big data. Principal Investigator, ND Global Collaboration Initiative. $20,000, June 2017-June 2018.

Childhood misfortune and adult health among black, white and Hispanic Americans. Co-Investigator, National Institute on Aging R01AG043544. $655,473, June 2014-May 2017.

Sarah A. Mustillo

Persistence of stigma: How do timing and duration and weight stigma impact identity and outcomes in adolescents? Principal investigator, Purdue Research Foundation Research Grant. $20,000, June 2012-May 2013.

Women's health limitations and poverty risk. Principal investigator, Purdue University – Clifford Kinley Trust Award. $20,000, June 2012-April 2013.

Children serve too: The effects of multiple parental military deployments on child-well-being. Co-Principal investigator, Department of Defense. $1,008,678, September 2011-November 2013.

Improving deployment-related primary care provider assessments of PTSD. Principal investigator - Purdue Subcontract, Department of Defense. $300,000, October 2009-October 2012.

Enduring effects of early adversity on adult health. Co-investigator, National Institute on Aging R01. $526,172, June 2009-May 2012.

Psychotropic drug use in Protestant clergy: A national survey of ten denominations. Co-Investigator, The General Board of Pension and Health Benefits of The United Methodist Church. $100,000. June 2006-July 2007.

Campus life and learning project. Co-Investigator, Duke University Provost Research Grant. $100,000. July 2005- July 2007.

Therapeutic foster care in a system of care, Co-Investigator, National Institute of Mental Health R01-MH57448. $3,745,990. April 2003-March 2009.

Comprehensive community mental health services for children and their families. Co-Investigator, Substance Abuse and Mental Health Services Administration 280-2003-00016. $71,000. October 2005-September 2007.

The effects of perceived racial discrimination on maternal health, preterm delivery, and low birth weight: The CARDIA study. Principal investigator, Woodrow Wilson/ Johnson & Johnson Dissertation Grant in Children's Health. $2000. June 2000.

INVITED LECTURES AND SHORT COURSES (PAST 10 YEARS)

"Parent, Peer, and Sibling Influences on Adolescent Substance Use Trajectories Before, During, and After COVID: Normal, Not Normal, Back to Normal, What's Normal?" Invited lecture, Population Research Center, University of Texas at Austin, November 2025.

"Cradle and Grave: One Middle Aged Sociologist Explores Mental Health at Both Ends of the Lifecourse." Distinguished lecture, Indiana University Department of Sociology, March 2025.

"Data science as science: Can we predict the future?" Invited lecture, Emory University Quantitative Theory and Methods Speaker Series, October 2024.

Distinguished Alumni invited lecture, Duke University Department of Sociology, March 22, 2024.

"Predictions and Marginal Effects in Models for Binary Outcomes." Invited panel discussion at the American Sociological Association Annual Meeting, Philadelphia, PA, August 21, 2023.

"The role of childhood emotional and behavioral disorders in the intergenerational transmission of socioeconomic status." Invited talk at UC Riverside, February 4, 2021.

"Publishing in and reviewing for ASA journals: Conversations with editors." Invited panel discussion at the American Sociological Association Annual Meeting, New York, New York, August 12, 2019.

"Publishing Medical Sociology in ASR: A Conversation with an ASR Editor." Invited presentation at American Sociological Association, Montreal Canada, August 12, 2017.

"Publishing: American Style." Invited lecture, Renmin University, Beijing, China, November 2016.

"Growth mixture modeling: A latent variable modeling perspective." Workshop in the Interuniversity Consortium for Political and Social Research (ICPSR) Summer Program of Quantitative Methods, July 2016.

"Growth mixture modeling: A latent variable modeling perspective." Short course at the Interuniversity Consortium for Political and Social Research (ICPSR) Summer Program of Quantitative Methods, May 2015.

"Redirected lives: The role of health in the intergenerational transmission of socioeconomic status." Invited lecture, Duke University Population Research Institute, April 2015.

"Growth mixture modeling: A latent variable modeling perspective." Short course at the Interuniversity Consortium for Political and Social Research (ICPSR) Summer Program of Quantitative Methods, June 2014.

"Women's health and poverty over the life course: The ghost of generations past?" Invited lecture, Population Center, University of Chicago, February 2014.

CONFERENCE PRESENTATIONS

"Predictions and Marginal Effects in Models for Binary Outcomes," invited panel presentation in Section on Methodology. The Logit Wars: Contrasting Wisdom about Categorical Outcomes, American Sociological Association Annual Meeting, Philadelphia, PA, August 21,2023.

"Early origins of peak body mass in later life: Examining childhood risks and adult pathways," (with Miao Li and Kenneth Ferraro). Paper presented at the American Sociological Association Annual Meeting, New York, New York, August 13, 2019.

"Crossover of work to family conflict to child emotion: The Moderating effect of co-residing grandparents," (with Miao Li). Paper presented at the Southern Sociological Society Annual Meeting, Atlanta, Georgia, April 13, 2019.

"Perceived Discrimination, Screen Use, and BMI among Chinese Migrant Children: A Nationally Representative Study," (with Miao Li, Weidong Wang, and Youfa Wang). Paper presented at Eastern Sociological Society Annual Meeting, Philadelphia, Pennsylvania, February 24, 2017.

"Changes in substance use within the gay community since the introduction of combination antiretroviral therapy: A longitudinal analysis," (with Brian C. Kelly, Ineke G. Stolte, and Udi Davidovich). Paper presented at AIDS Impact Conference, Barcelona, Spain, Sept 30, 2013.

"Obesity, labeling, and psychological distress in black and white girls: The distal effects of stigma,"

Sarah A. Mustillo
(with Kristen Budd and Kimber Hendrix). Paper presented at the American Sociological Association Annual Meeting, New York, New York, August 13, 2013.

"Race/ethnicity and traumatic brain injury: Are there diagnosis disparities among returning OEF and OIF service members?"(with Ashleigh E. Kysar-Moon). Paper presented at the Society for the Study of Social Problems Annual Meeting, New York, New York, August 11, 2013.

"Women's health and poverty risk over the life course: Role of family lineage?" (with Lindsay Rinaldo Wilkerson and Kenneth Ferraro). Paper presented at the American Sociological Association Annual Meeting, New York, New York, August 11, 2013.

"Maternal attitudes towards adolescent overweight and medical weight loss options," (with Kimber L. Hendrix). Paper presented at the Society for the Study of Social Problems Annual Meeting, New York, New York, August 10, 2013

"The use of multiple imputation when data are missing not at random," (with Soyoung Kwon). Paper presented at the American Sociological Association Annual Meeting, Denver, CO, August 17, 2012.

"Veterans, PTSD, and prescription drug misuse: Intertwining epidemics," (with Brian Kelly). Paper presented at the Society for the Study of Social Problems Annual Meeting, Denver, CO, August 17, 2012.

"Do health limitations raise the risk of poverty? Women's entries into poverty over 36 years," (with Lindsay Rinaldo Wilkinson and Kenneth Ferraro). Paper presented at American Sociological Association Annual Meeting, Denver, CO, August 17, 2012.

"Using –margins- to test for group differences in growth trajectories in generalized linear mixed models," Paper presented at the Stata Conference, Chicago, IL, July 14, 2011.

"The influence of indigenous party entry on party system stability in the Andes," (with Tom Mustillo). Paper presented at the American Political Science Association Annual Meeting, Washington, DC, September 1-5, 2010.

"The effects of model fit on coefficient bias in multiple imputation," (with Soyoung Kwon). Paper presented at the American Sociological Association Annual Meeting, Atlanta, GA, August 15, 2010.

"Modeling longitudinal count data: Testing group differences in growth trajectories," (with Dick Landerman and Ken Land). Paper presented at the American Sociological Association Methods Section Conference, Urbana, IL April 2, 2010.

"Electoral performance in a multilevel context: A test of regime type and electoral system on

nationalization," (with Tom Mustillo). Paper presented at the 2009 American Political Science Association Annual Meeting, Toronto.

"Running on empty: Parent time demands as a link between economic deprivation and child depression," (with E. Jane Costello). Paper presented at August 2008 American Sociological Association Annual Meeting, Boston MA.

"Modeling repeated measures of dichotomous data: Testing whether the within-person trajectory of change varies across levels of between-person factors," (with Lawrence Landerman and Kenneth Land). Paper presented at August 2008 American Sociological Association Annual Meeting, Boston MA.

"Using Stata as a computational tool in a relational database environment," (with Tom Mustillo). Paper presented at the July 2008 North American Stata User's Group Meeting, Chicago, IL.
